

# *Cowtown* CLASSIC

The Cowtown Classic is looking forward to its second season in 2025 in “Cowtown” Okeechobee Florida! Thank you for considering a sponsorship with us. The 2025 show season consists of five shows, Friday through Sunday. It will be a full slate of AQHA Versatility Ranch Horse and National Reined Cowhorse Association (NRCHA) classes that are world qualifying events for our exhibitors. We are dedicated to promoting and preserving ranch and cowhorses here in the Southeast. Along with our regular weekend show we will have a special event, called The Dayworking Derby, that highlights and gives back to our local day workers and cowboys. Your support as a sponsor is essential to our success, the growth of this event here in our hometown facility and the future for those to come! The exposure this event attracts are advantageous to businesses by bringing many people from other parts of Florida and even states throughout the Southeast such as GA, LA, SC, NC, AL and TN. Our 2024 show year was a great success and was shown to economically impact our community over \$200,000 in a single weekend. The Cowtown Classic is registered under a Non-Profit organization here in Okeechobee making your sponsorship contribution potentially tax-deductible.
